Dear Prospective Sponsor,

The All 4 the Kids Sports Association (A4TKS) is seeking your support in providing Football to the youth of greater Lorain County.

The All 4 the Kids Sports Association is entering its 1st season of youth football participation. The (A4TKS) mission is to teach children the fundamentals of football while promoting discipline, education, dedication and teamwork in a fun environment.

One of the biggest obstacles our organization faces is providing quality experiences for all participants on a very limited budget. The ability to meet the cost of operating and maintaining a quality football program would not be possible without you, our community leaders.

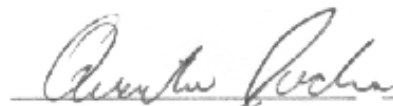

We have urgent capital funding needs totaling more than \$70,000. There are repairs needed for the lighting and maintenance of the field we are going to be using. We also desperately need to buy equipment for our football teams, and on field equipment such as field markers, chains and a paint machine. Other needs include a storage trailer which will eliminate ongoing rental cost. Your donation will help fund the quality equipment our players require and enable us to keep our costs low so children of all social and economic backgrounds can participate.

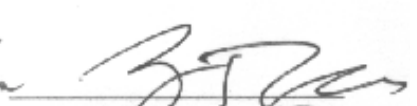

While Lorain County are prosperous areas, the vast majority of our participants are not. They need your help! We need your help! Your contribution will make a difference and become a part of our communities effort to do something very positive for our young people and future leaders. The benefits are the young adults who will have been given the opportunity to learn the lessons of faith in self-worth, character, fair play, sportsmanship, discipline, team spirit hard work, unity and education.

Your support will help our children and our sponsorship program will provide your business with multiple opportunities to be noticed while doing something special, including exposure on our brand new website ([www.all4thekidssport.com](http://www.all4thekidssport.com)).

Respectfully,

  
Roger Rowser, Jr.  
Commissioner

  
Quentin Jackson
